for Thinning Hair

Precision 30-Day Hair Loss Program

Precision is the most effective male and female hair loss product, recommended by top hair clinics to help the scalp recover its natural balance and restore hair health, thickness and shine.

How It Works

Precision comes complete with a 30-day supply of one-a-day nutritional hair drops to treat hair loss, mild/severe scalp conditions, thinning or damaged hair. Designed to restore and detoxify stressed hair and scalp, Precision nourishes and reconstructs damaged areas to stimulate healthy hair growth with a four-fold approach:

- Deeply purifies hair follicles to invigorate scalp.
- Provides external stimulant to strengthen weak hair shaft and develop weak hairs into thicker, healthier tresses.
- Effectively controls dead skin cells, bacteria, oil and perspiration, all of which can cause dandruff, inflammation and interfere with overall scalp health.
- Delivers instant root and hair nutrition that adds a unique boost to restore shine.

Ideal For:

- Weak, Stressed, Damaged Hair
- Color-Treated or Relaxed Hair
- Dull, Lifeless, Thinning Hair
- Seborrheic Dermatitis
- Hair Loss Prevention
- Strengthening Hair

“ We have made a legendary chemical-free formula long trusted by dermatologists now available to you ”
